

lead to higher spending by the Federal Government and lower tax revenues, which would lead to more debt.

Perhaps most important to my Republican colleagues, this is from *The Wall Street Journal*:

Some Republicans think they are sure to hold the House in 2014. The Kamikazes could end up ensuring the return of an all-Democratic rule.

HONORING STAFF SERGEANT TIMOTHY RAYMOND MCGILL

(Mr. CICILLINE asked and was given permission to address the House for 1 minute.)

Mr. CICILLINE. Mr. Speaker, I rise today to honor Staff Sergeant Timothy Raymond McGill, a member of the Rhode Island National Guard who was killed in combat last Saturday while serving as a member of the United States Army's elite Special Forces unit in Afghanistan.

A life-long resident of New Jersey, Sergeant McGill enlisted in the Marine Corps immediately after high school and was still training in boot camp when terrorists struck the World Trade Center and the Pentagon on September 11, 2001. After serving in Iraq, he joined the Rhode Island National Guard as an anti-armor specialist and just 2 years ago became a weapons sergeant with the Army Special Forces, the Green Berets.

Americans are blessed to live in a free and democratic society because of the heroic efforts and brave sacrifices of our men and women in uniform and owe an especially profound debt of gratitude to those like Timothy who have made the ultimate sacrifice.

We express our sincere condolences to Timothy's father, Raymond; his mother, Carol; and his two sisters, Megan and Lindsay. I pray that they find some small measure of comfort in knowing that an entire Nation is deeply grateful and shall keep them in our thoughts and prayers.

CONGRATULATING SKILLSUSA MEDAL RECIPIENTS

(Mr. McNERNEY asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. McNERNEY. Mr. Speaker, I rise today to recognize students from my district who demonstrated excellence in technical, academic, and employability skills at the SkillsUSA National Leadership and Skills Conference held this past June in Kansas City, Missouri.

The SkillsUSA Conference brings together high school students, college students, and teachers with industry experts to participate in contests that demonstrate their abilities in technology, business, criminal justice, culinary arts, and many more fields.

Students from the Weber Institute in Stockton received gold medals for their project in human services, and

students from Bear Creek High School in Stockton, California, received the bronze medal for their project in health services. These students have proven that they will not only be successful in their future careers, but that they will excel and be leaders in their fields.

I urge my colleagues to join me in congratulating these young adults on their academic achievements and to recognize the importance of the SkillsUSA Conference.

INSURANCE PREMIUM INCREASES

(Mr. GARCIA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GARCIA. Mr. Speaker, I rise today to address an impending problem, which is the increase of insurance premiums in south Florida and throughout our country.

The Biggert-Waters Act of 2012 will burden many homeowners with flood insurance increases of up to 25 percent for years to come. Congress must act to reverse these increases and ensure they do not undermine our housing market.

Mr. Speaker, this is a national problem. This act was passed before I came to office, but affects my constituents and the Nation as a whole, and seriously threatens our economic recovery. There is already a bill that can delay these increases and gives us time to work on this problem. Let's act now.

Mr. Speaker, this is neither a Democratic problem nor a Republican problem. This is a national problem. Perhaps if we work on real problems as opposed to ideological problems, we can find the common ground that all Americans wish us to work on.

I urge my colleagues to join me in protecting our hardworking homeowners by creating a commonsense solution that addresses this crisis.

BUDGETING PRIORITIES

(Mrs. BUSTOS asked and was given permission to address the House for 1 minute.)

Mrs. BUSTOS. Mr. Speaker, I rise today to talk about the impact of the ongoing budget debates in Washington and how they are affecting the hardworking people that I'm honored to serve in Illinois.

Last November, the people of the 17th District of Illinois elected me because they were sick and tired of the partisan gridlock in Congress. I spent a short time here in Congress working across the aisle to find commonsense solutions to the problems facing our Nation. But too many in Washington have the wrong priorities—putting politics over people. Let me just offer one example.

During the last month, I have visited Head Start programs throughout my district. Head Start, as you may know, provides early childhood education and is an important downpayment on our

region's economic well-being. In fact, for every dollar invested in Head Start, we get a \$7 to \$9 return. But due to shortsighted cuts, needy children and families are being turned away at the door.

In the region I serve, there are literally hundreds of children waiting to be enrolled in Head Start, while dedicated staff members continue to have to cut back. This is unacceptable.

I am willing to work with those who I disagree with and who disagree with me to find reasonable solutions that put people before politics. Let's find solutions that put Americans first.
